“ I absolutely love Flex VRA!!! Complete game changer. ”

Audiologist, Stephen F. Austin University

“ I LOVE this system. My nurses even commented on how modern and engaging it is compared to our older system. I'm one happy customer! ”

Audiologist, Texas Children's Hospital

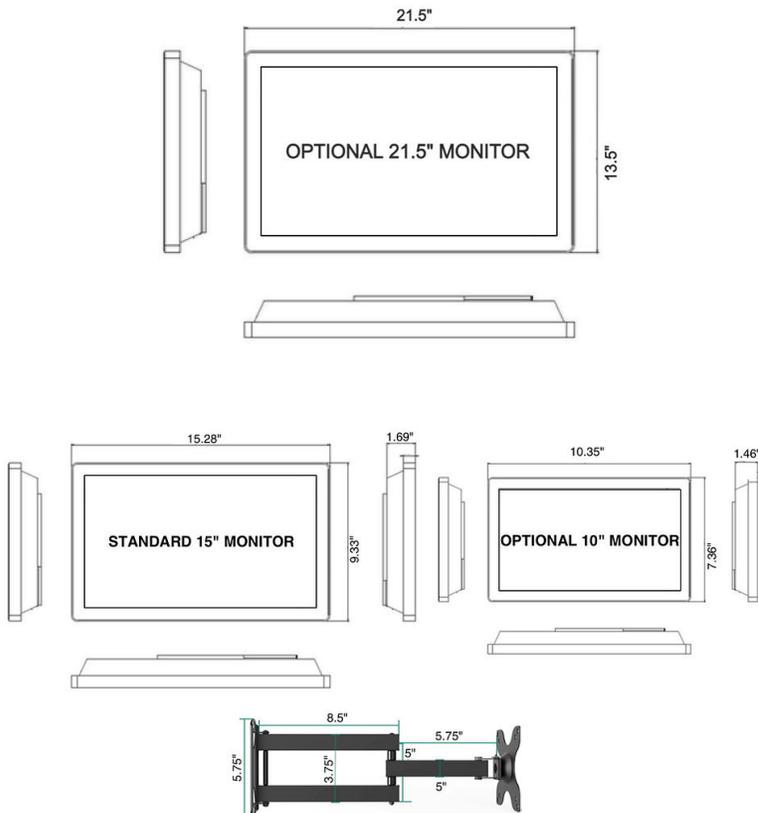

“ Everyone really likes it! We really like the up-to-date video clips and having the volume control. ”

Audiologist, Center For Hearing and Speech

“ The best VRA I've ever seen. ”

Medical Device Sales Representative, e3 Diagnostics
